

CCSBT-EC/0810/08

Review of SBT Fisheries

Purpose

Discussion by Members and Cooperating Non-members on recent activities in the fishery.

Discussion

It has been agreed by the Commission that all members, cooperating non-members and invited observers be asked to provide a brief written report on SBT fishing activities within their jurisdictions in an agreed format, including all sources of SBT mortality.

Members may ask questions concerning the contents of the reports.

The reports for this item are provided as CCSBT-EC/0810/SBT Fisheries in the meeting document list.
