

CCSBT-EC/0810/10

Report from the Compliance Committee

Purpose

To consider the report of the Compliance Committee.

Discussion

The Compliance Committee report will consider:

- reports from the Secretariat
- reports from Members
- its Terms of Reference
- progress on integrated MCS measures
- progress on implementing Port State and other measures

Recommendations may be made on these matters, which will require the attention of the Extended Commission.

Recommendations on implementation of an integrated MCS system or its component parts will be discussed in agenda item 7.
